Booths will include art, crafts, and commercial brands (which will be limited to one per brand) All proceeds go to Lone Rock PTM to support the school and students. Set up will begin at 7am and take down will begin at 4pm. We had over 30 vendors last year and filled up the new gym nicely, so we will once again be in the big gym. If we get over 40 vendors we will do both gyms. There will be coffee and refreshments available during set up. We will also have food available for sale out of our concessions stand put on by our Booster Club, if we end up with booth spaces the food will be served in the cafeteria. We are going with a soup and pie option this year. Groovz Dance will once again be performing and we will have our Photo Booth set up again this year We are also trying to get a few musical groups to come in and preform this year. Call Michele Brunson with any questions 406-240-8156 or email ptm@lonerockschool.org.
