

8th Grade Meeting – November 14, 2011 Minutes

– submitted by Nancy Preston and Kim Tiplady

Kim Tiplady spoke with Sandi Wilson. We have a startup fund of \$74.26. This does not include the funds from the Halloween Carnival. Sandi said that she, as the school's business manager, has a line item for graduation and we can get updates from her as often as possible.

3 on 3 tournaments: the general feel from tonight was that we really need a person who is interested in chairing this event and until then we move on to other ideas.

Deawn Meinzen is checking on some pricing for decorations /flowers

Bomb Jars: talked about keeping them in March or April, the kids would like to have something besides a "party" to offer for a prize. There was talk about asking staff to help with ideas for prizes. We discussed how to best advertise and get the students/staff excited.

Tammy Harrington came up with an idea to get the kids to give us ideas and votes for anything we need. Ballot boxes will be put in both home rooms (with teacher approval) and anytime we have a question we will post it next to the box. Students at the meeting volunteered to get the boxes ready, talk to the teachers and get them going.

Tammy Harrington made a quilt that Carol Ross will back and quilt for us to raffle off. Sunny will talk to Dave about it.

Pancake breakfast: since we would like to get going, this group decided to do a pancake breakfast and put it together with the Holiday Bazaar sponsoring the Lone Rock Special Olympics team. Deanne will talk to the Meinzen's about donating the sausage. Tonia will talk to parents of alumni who have done a breakfast (Stacy Bartlett and Robin Bolin). Nancy will talk to Elaina, Dave and Danice.

Pizza sales: there was talk of doing a pizza sale with Figaro's Papa Murphy's or using our own pizza skills and make them at Lone Rock. We would take pre-orders for a week and then make them and deliver them on day.

Nancy will ask Norman and Dave about putting all graduation information on the web page.

Next meeting: there was talk about Monday, November 28th, 2011
