

Dear 8<sup>th</sup> Grade Parents,

A group of parents met on October 11, 2011 to begin talking about plans for raising money and what was needed for graduation. The group decided to do a cupcake walk at the Halloween Carnival. Other tentative plans were made to do a 3 on 3 basketball tournament with a dinner & silent auction possibly in January and the bomb jars in the spring. The group had planned on another meeting in November to get the ball rolling if we are indeed going to move on with a 3 on 3 tournament. The group had planned on meeting on November 7, 2011, but needed to move the meeting to November 14, 2011.

The group asks that all parents attend the next meeting along with their students so we can continue to plan. Please bring your ideas and calendars. If you cannot attend the meeting please let the school know and send any ideas or questions along with dates that are optional for a next meeting.

Thank you
