

Summer Recreation and EXCEL Programs at Lone Rock School

Once again the Summer Recreation and Reading Programs are gearing up for a fun and active summer at Lone Rock School. For six weeks students can play and practice organized sports in a safe and supervised environment. The Summer Rec Program, directed by Mr. Perez, will be open Monday through Thursday beginning June 21st until July 29th. Students who are currently in first through eighth can attend the Rec Program from 9:00 am – 3:00 pm.

We are requesting a donation of \$50 for a family's first child and additional children from the same family may attend for half price.

In addition to the summer recreation program, our school library will be hosting a story time and craft hour every Monday afternoon from 1:00 – 2:30 for six weeks beginning on June 21st. This program is free. Children of all ages are welcome to listen to a story, check out books, and participate in a fun craft making activity. And don't forget...the library is open daily from 8:00 am – 1:00 pm during the summer for book check out.

The EXCEL program is teaming up with the Summer Recreation and Reading Program and will be offering some awesome classes at no charge. For six weeks on Tuesday through Thursday mornings classes such as puppetry, drama, and dance will be offered.

Lone Rock School is the place to be this summer! Say good-bye to summer boredom and say hello to summer fun! Sign up early to secure your spot in our great activities.
