Parking Lot Drop-Off & School Day Start

For the last two school weeks, we have been implementing a morning drop-off lane for the Elementary Building. This lane has improved traffic flow in the parking lot and helped provide a safe area for parents to unload their Kindergarten-Fifth grade students. To help this lane be the most effective, if you are the first car in the drop-off lane, please pull forward to the sidewalk so that more cars can fit behind you.

Secondly, for all parents dropping off, the Lone Rock School day begins at 8:30 a.m. All students in grades K-8 should arrive at the school before 8:30 a.m.

Voice Mail System Down

The Voice Mail system at Lone Rock School is currently not working properly. We are currently working on a solution to the problem and anticipate Voice Mail to be back up and running again by late next week. Thank you for your patience as we work on this.

If you need to leave a message for a teacher or other school employee, our e-mail system is an efficient way to do so. Teacher e-mails are their first initial followed by their last name @ lonerockschool.org
