Fundraising Meeting

On Wednesday, June 4 the fundraising committee of the PTM met and generated lots of ideas for fun activities to help the school raise resources for curriculum needs. The theme of the meeting was how can we parents have fun together, enjoy ourselves and enjoy each other's company while we work to help the school provide. The more the merrier, and the more we get done, so please get a hold of Sonja Lockwood and Sarah Harp for days of pure enjoyment and socializing doubling as "public service." We hope to hear from you.
