HEALTH AND SAFETY FAIR: October 9th is fast approaching for our Community Health and Safety Fair. We are looking forward to some VERY exciting things. Life Flight will be landing at 3:00 p.m. as the kick-off to the fair, Ravalli Electric Co-Op will be there with their table-top safety display, free chair massages will be available, we will be offering free blood pressure checks, 3 Mile Fire will be on hand with fire safety information, several local businesses will be there and we will be offering some great door prizes donated by Liberty Northwest Insurance and Caffè Firenze. We will also have discounted safety helmets available for purchase through St. Patrick Hospital. Come join us between 3 and 8p.m. Friday, October 9th for fun and some great information.

Parents – Please Note

It is that time of year again when the weather gets colder and sometimes it is a little wet. Please make sure that your students are prepared for changeable weather when they come to school. Make sure that they have a warm coat, gloves, hat, boots, scarves etc. Also, it is Lone Rock's policy that students who come to school are presumed to be healthy so they are sent out to recess each day. Please don't ask teachers to keep your students in during recesses. Thanks for your consideration.

BOX TOPS:

Monday, October 5th, we will be starting our Box Top/Campbell's Soup Label competition. Please send those Box Tops and soup labels you have been saving all summer. The class with the most Box Tops wins a Root Beer Float party! Yellow boxes will be in each classroom for collection.

HAMILTON TAE KWON-DO announces new beginners classes starting October 5th, 2009. If you are interested in additional information, please pick up a flyer in Marcia's office.

Halloween Carnival Planning Meeting:

There will be a meeting for the Halloween Carnival on Tuesday, October 6th, immediately following the PTM meeting. Please join us to plan this event scheduled for October 30th! If you can't make the meeting but would like to participate in the carnival, please call Shelly at 777-3314, ext 234.

HEARING SCREENING ON TUESDAY, OCTOBER 6TH –

All Kindergarten and 1st Graders will be screened but if any parents/guardians have concerns about older students, please call Marcia in the office and have their name added to our screening list.

YMCA Basketball

If you have a student in the 3rd or 4th grade, YMCA sign-ups are about to begin. But first we need people to coach the teams. We need coaches for both the girls and boys teams. If you are interested please give Mr. Perez a call for information so we can get teams started. We have until October 20th to finish registration. Phone: 777-3314 ext: 212

Volunteer Needed

A volunteer is still needed to help once a week with the fluoride program. The job entails pumping fluoride into cups and distributing them to the classrooms. Please contact Shelly at 777-3314, ext 234 to volunteer.

Free Wood

We were cleaning out an old shop closet and have a varied assortment of wood cut-offs from old shop projects that are free to the public, first come first served. The wood remnants can be found out by the shed near the bus barn north of the parking lot. Help yourself.

EXCEL

The EXCEL after school program begins on Monday. The program goes from 3:30-5:30. The classes are listed on this week's calendar. If you would still like to sign up for future classes, you need to pick up an information packet from Mr. Cluff or Mrs. Burgess and have a 5 minute orientation about the program. For those who have signed up for either Rush Hour or Math/Writing on Monday, please make sure that your students know that they will be going to the after school program on Monday. Of course those who are signed up for other days need to know what days they are attending. We are excited to begin and looking forward helping your Lone Rock kids EXCEL!
