Families with income at or below U.S. Poverty Income Guidelines are encouraged to apply. Families interested in the fall program, starting September 16, 2008, are encouraged to apply by May 25. Open enrollment will continue throughout the year. Call Anne Anderson at 363-1217, ext 14 for an application or more information.

PLEASE HELP PROTECT OUR SCHOOL PROPERTY! Over this past weekend one of the trees in the Bitterroot Garden was broken off at ground level. It appears to be an act of vandalism. Please talk to your children about protecting school property and if you see anyone who is not, let our school administrators know. Thanks!

Win an all terrain bike!

Kids, win an all terrain bike! Parents, get a child-safe car seat - free! Come to the Ravalli County Safety Fair, May 17th from 10:00am to 3:00 pm at the Hamilton Middle School. Over 20 groups will be at Westview Field to demonstrate summer safety: fire, bike, water, weather safety, and much more! Crawl through the smoke house and watch a puppet show! There will be free popcorn and balloons for kids of all ages!

Summer Reading Program

On Tuesday afternoons from June 24th through July 29th there will be a summer reading program in the elementary school library. From 1:00PM-2:30PM on these afternoons, preschoolers through eighth grade will have the opportunity to participate in a story time, book check-out and craft project. Reading incentive prizes will be awarded when a child reaches a reading goal. In addition to these story times, our school library will be open for book check-out every weekday from 8:00AM – 2:00PM. Studies have repeatedly shown that children who continue to read during the summer months perform better academically when school resumes in the fall. Be sure to take advantage of these wonderful opportunities to keep your children reading throughout the summer.

Pig Out on Reading!

Have you ever met a pig who likes to read? If you want to meet one who does, then come to a special presentation sponsored by our summer reading program on June 30th from 10:00-11:00 in the elementary gym. Farmer Minor and his highly intelligent pot bellied pig, Daisy, will be here to read to us some of Daisy's favorite pig stories and share with us how she has become a world famous pig! We will get to listen to Daisy noises, give Daisy a treat and talk about Daisy's pampered life. Daisy has presented programs in 48 states and has even been on TV! Don't miss this fun way to encourage reading with your children!
