FAMILY FUN NIGHT: Join us **TONIGHT**, November 6th, at 6:30 PM for pie and cider followed by music and dancing with Chip Jasmin. This Family Fun event is sponsored by The Family Resource Center and The EXCEL After-school Program.

EXCEL EXTRA Clubs

For those of you who come for tonight's fun at the family fun night you will get the first shot at something new, EXCEL EXTRA Clubs. The EXCEL EXTRA Clubs are sensational clubs that we cannot offer for free but are clubs that we think lots of kids would love to participate in. We have negotiated the lowest prices possible to bring these opportunities to Lone Rock. We will have a sign up list at tonight's hoedown for the following EXCEL EXTRA Clubs: *CSI Forensic Club* where on January 27th, students K-3rd and 4th-8th will have a chance to investigate 2 different crime scenes and solve a simulated crime using scientific data collection and analysis. This program is presented by Spectrum from the University of Montana who will bring their crime staff and scenes to Lone Rock. The student cost for this three hour EXCEL EXTRA Club will be \$15.00 and will be limited to 30 students. Another EXCEL EXTRA Club will be offered from the Wildlife Film Festival staff who will teach our students filmmaking skills. Dates and costs are not firmed up yet on this but please sign up. A third EXCEL EXTRA Club will be an hour long club making lollipops under the guidance of Stevensville's own Charbonneau's Chocolate. This will cost \$3.00 for each student and we have not yet set a date yet. Come by the Family Fun Night and sign-up for these new, exciting and in one case tasty offerings.

Veteran's Day Breakfast and Assembly

Students and parents please bring your family, friends and neighbors who are **VETERANS** to our Veteran's Day Breakfast and Assembly on Wednesday, November 11 from 8 AM – 9:45 AM. The breakfast is free and scrumptious for Vets and Mrs. Barrey's music concert promises to inspire you and touch your heart.

POPSICLES FOR POETRY continues on Monday in the elementary school lobby. Popsicles cost \$1.00 and each \$1.00 earned goes directly towards publishing the school's annual poetry anthology. Parents, grandparents, and others - please consider purchasing a popsicle for your child's entire class. Lucky classes sponsored to date include Mrs. Purcell's seventh grade homeroom, Mrs. Wandler's fourth grade, and Mr. Lake's third grade. Checks may be made payable to The Arts at Lone Rock. Thanks for your help!

CONGRATULATIONS TO AURORA KELLOUGH! Aurora's second grade poem was one of several chosen from among dozens of Lone Rock poems submitted last year to "Signatures from Big Sky," an anthology of poems and art work from students across the state. Aurora's poem was then selected for an exhibition at the state capitol rotunda titled "October is National Arts and Humanities Month." What an honor! Way to go, Aurora!

AURORA'S PURPLE FEET

Aurora rolled out of bed.
Unicorns had sabotaged her room -
Roses rolled around her bed,
Oranges sneaked into her dresser,
Raspberries were in their socks, and
Apples were in her dresser, too.

LOST – At the Lone Rock School Halloween Carnival – a 3D silver skeleton pendant with it's hand on it's head sitting with a glass ball (bluish color) approximately 1 ½ “- 2” tall. If you found it, please drop it off in the office with Marcia – no questions asked. Thanks!
